ICE  
MEXICO

words by: Beck Hansen

Well, I was working at McDonalds..

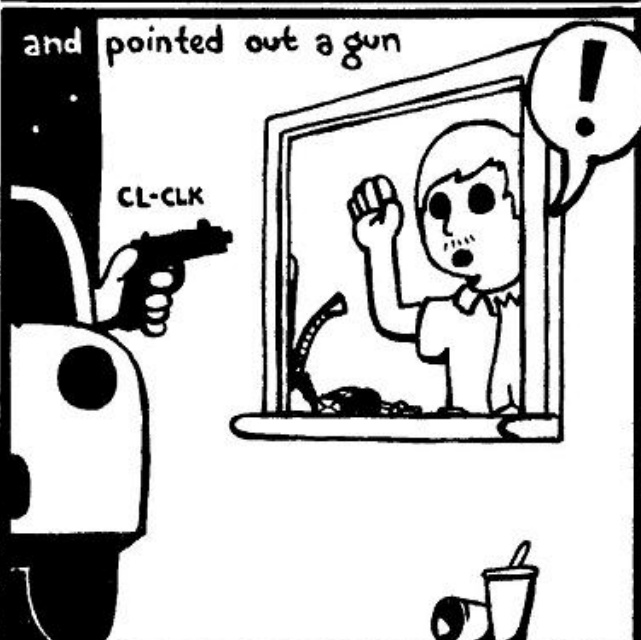

..doing the late-night run

when a car pulled up the drive-thru

and pointed out a gun

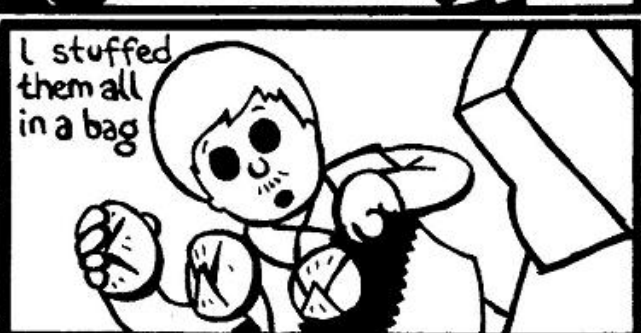

Said.

GIVE US ALL  
YOUR MONEY  
-AND THREE  
BIG-MACS  
TO GO!!

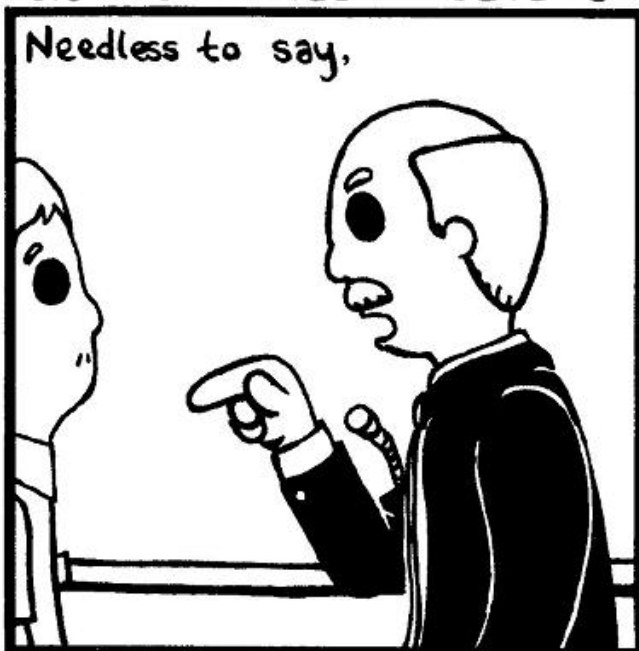

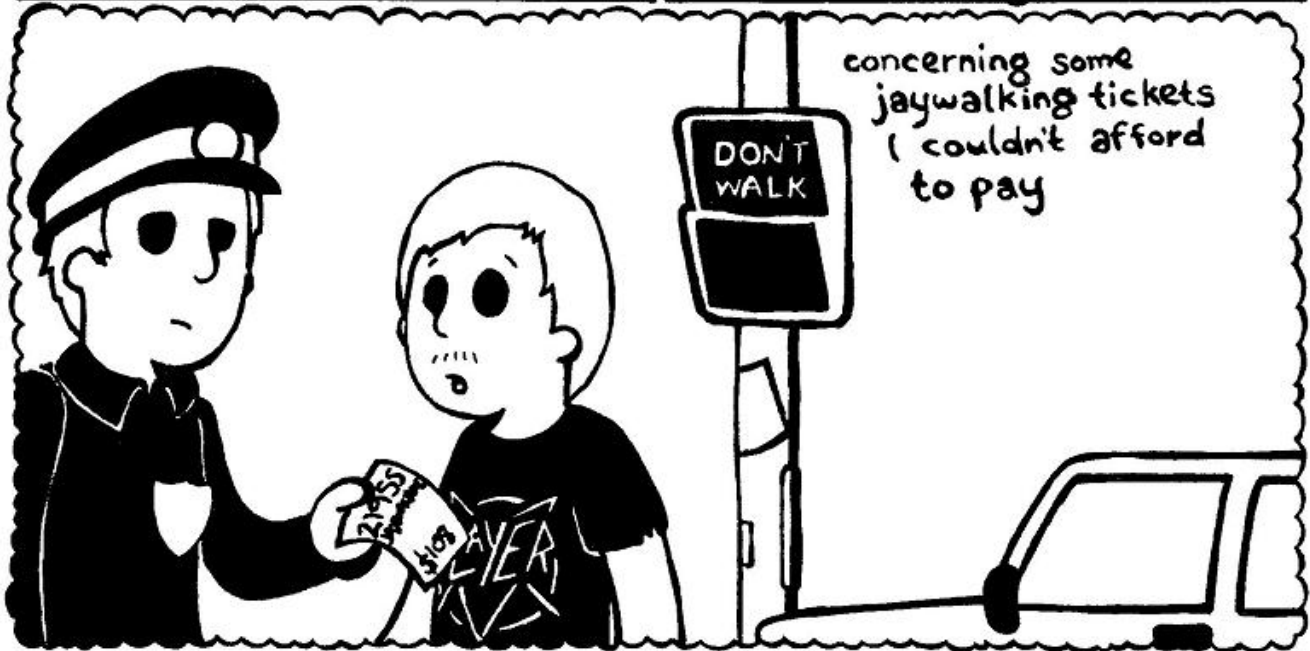

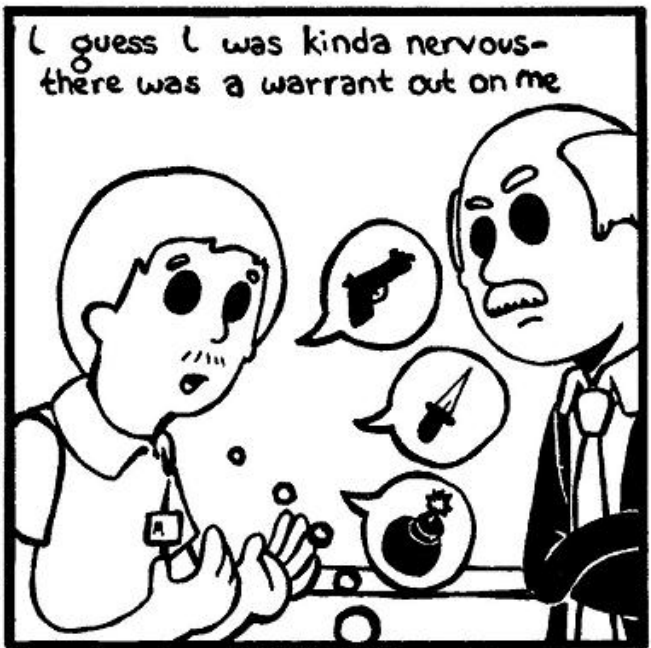

I stuffed  
them all  
in a bag

..and I ducked down  
below

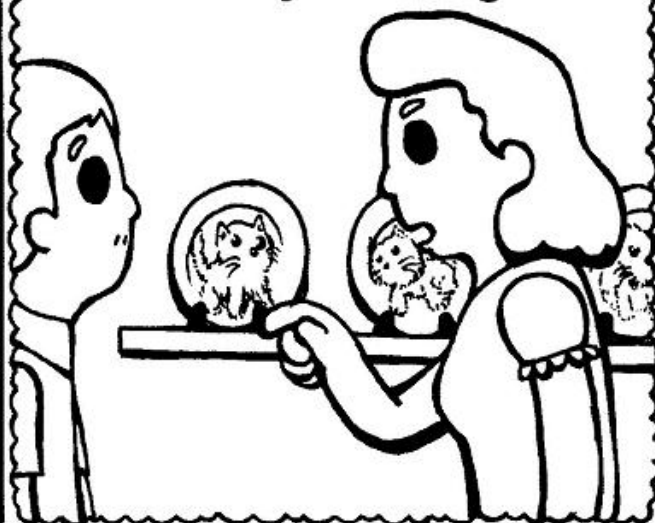

Well me being out of work just then,  
I didn't want to go home

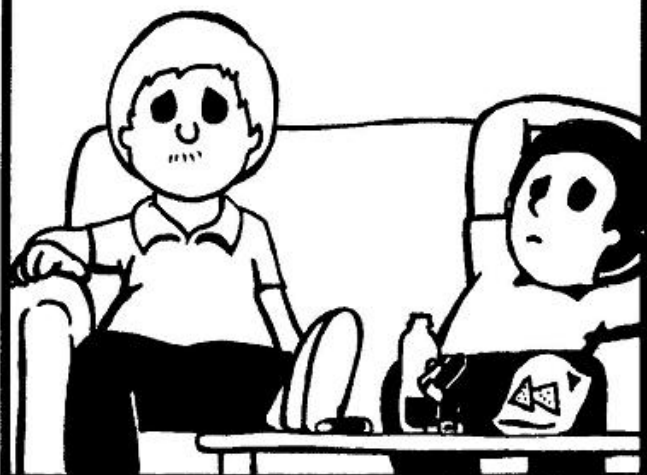

My mom said if I lost this job  
I'd have to go out on my own

So I went over to Dave's house

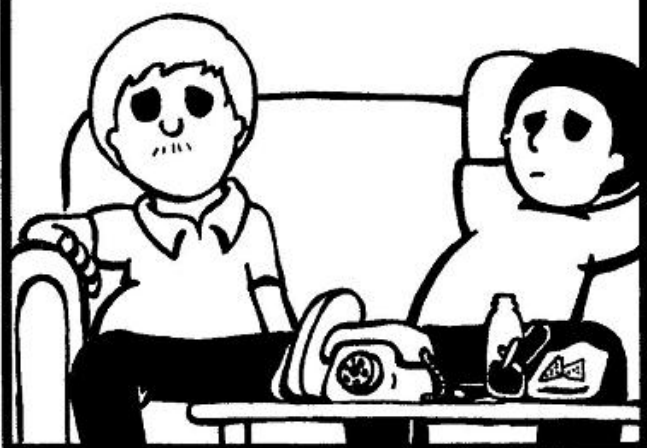

and got really stoned

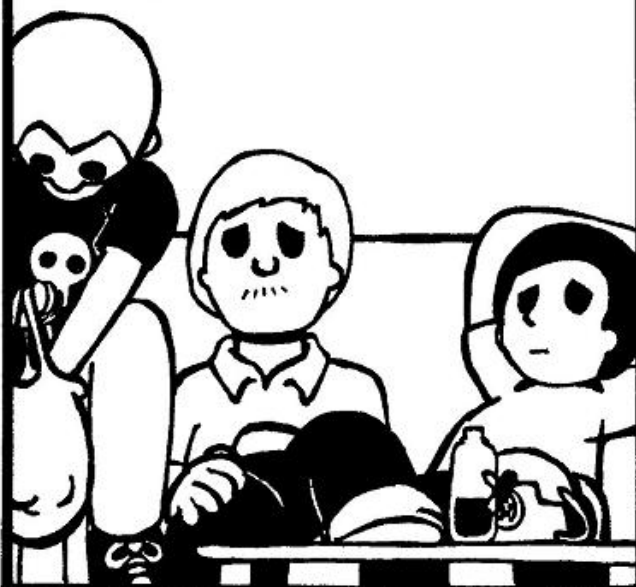

Called up some girls

but none of them were home

Well, Steve came over..

..and brought some alcohol

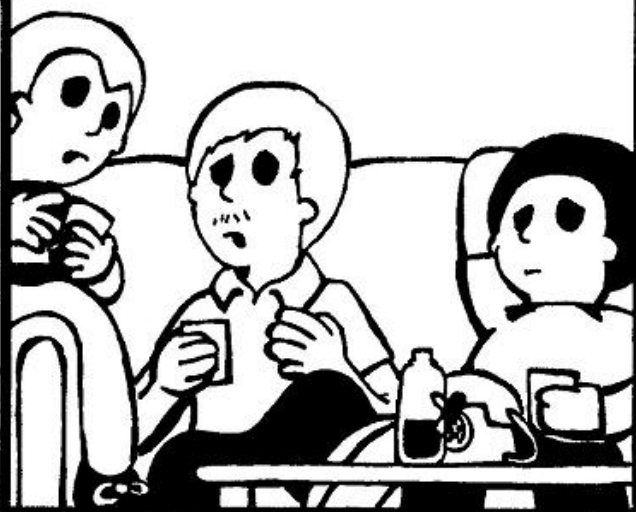

We were all gettin' really depressed

just staring at the wall

Well, we thought we'd get some money,  
we thought that we might go..

Spend the weekend pleasant  
down in

Steve's dad had a hunting rifle

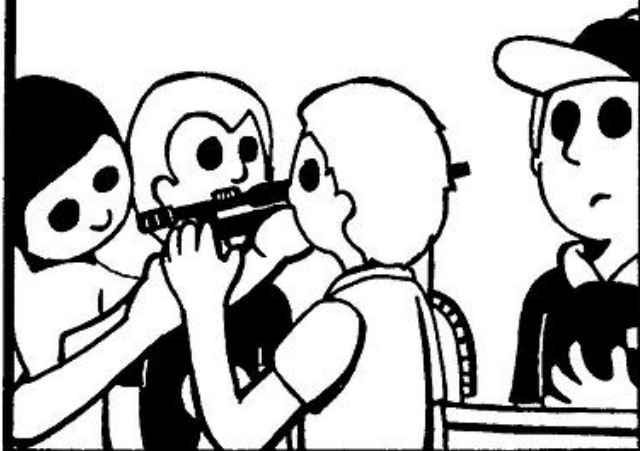

and we went and picked it up

We went and stopped at a 7-11  
to try our luck

Now we pulled out that hunting rifle

but the counter guy just laughed

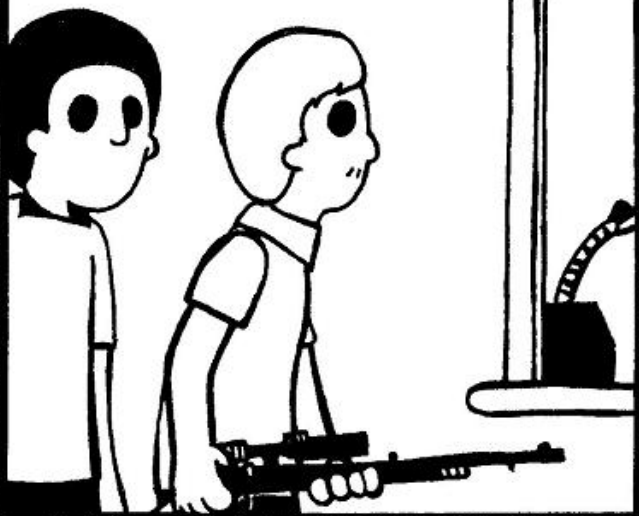

As he pulled out an uzi,  
we turned and hauled ass

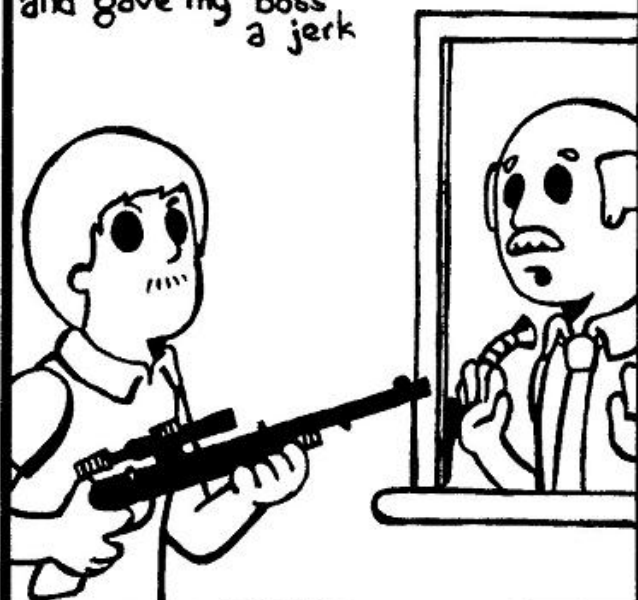

We were running so fast until we came to the McDonald's where I worked

We walked up to the drive-thru

and gave my boss a jerk

said:

GIVE US ALL YOUR MONEY-

-AND THREE BIG-MACS TO GO!!

AND SUCK ON THIS, YOU WEASEL!

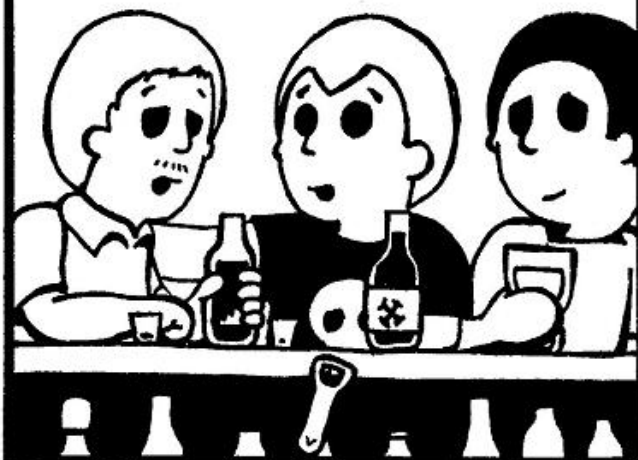

CL-CLK

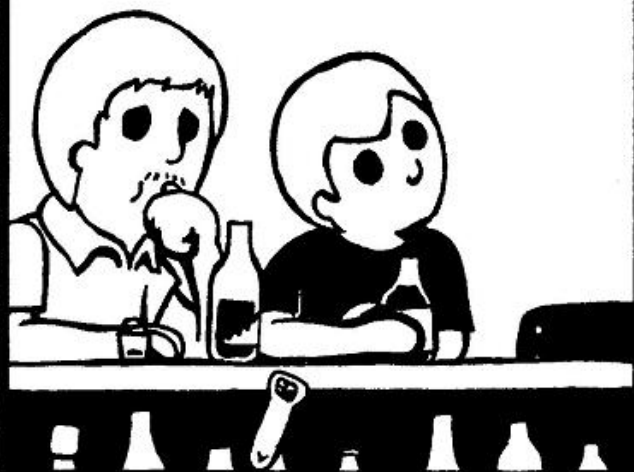

WE'RE GOING TO MEXICO!

We all got really wasted Down South

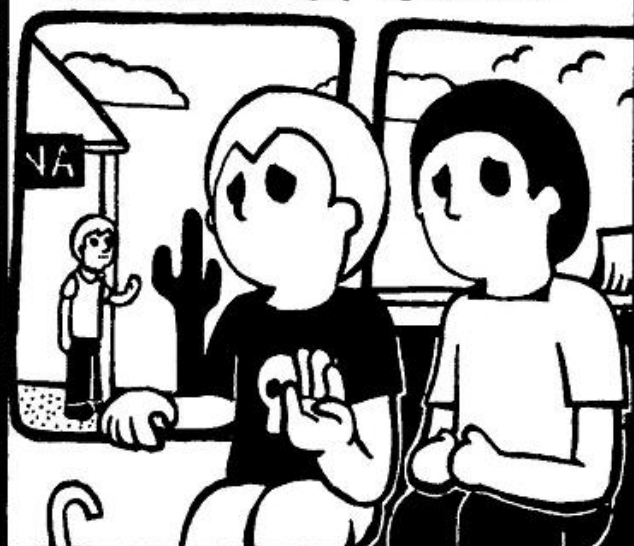

Dave got a case of the runs

We were all really hungover,  
and gettin' low on funds

Dave and Steve called their parents  
and took the bus back home

Me, I got a job at McDonalds..

..down in Mexico
